# HOSPITALITY

In addition to high-quality and value shopping, a wide range of services dedicated to international clients are available: luggage and purchase storage, payments through popular international networks and the ability to process tax refunds directly on-site, avoiding long lines at departure points.

We can create tailor-made packages based on individual business needs with the Centre's services: entry to THE LOUNGE, our exclusive space; gift cards accepted in all stores; personalized welcome for large incentive groups with banners at the Centre's entrance; customized welcome gifts; food vouchers or dedicated aperitifs. Transportation from various regional points can also be arranged and the shopping experience can be integrated with other activities in the surrounding area. All of this is provided in a simple, customizable manner with predefined costs.

We are ready to welcome your best clients.
